

**COMPETENT PROFESSIONAL AUTHORITY CONTINUING EDUCATION HOURS**

Local Agency: \_\_\_\_\_

Name/Title: \_\_\_\_\_

Licensure/Certification/Registration Status requiring continuing education credits:

None  LPN  RN  RD  Home Economist  Diet Tech  IBCLC  Other: \_\_\_\_\_

- Each CPA must maintain this ongoing log documenting continuing education contact hours. At a minimum, each CPA with at least one (1) year of WIC experience is required to receive six (6) hours per fiscal year (October 1 through September 30) on nutrition education, counseling, breastfeeding, management, community assessment/evaluation, clinical practice, social marketing, teaching process, anthropometric/hematological assessment or computer design.
- These hours do not have to meet your professional organization's requirements for maintaining your licensure/certification/registration status, in short, these hours do not need to be submitted for continuing education credits from your professional organization.
- Contact hours must be interactive~i.e., ability to communicate and ask questions of the presenter. Therefore, video or audio tapes, journal articles, or research materials do not qualify as contact hours.

Date Program Held:	Sponsored By:	Title of Program (Attach Program Agenda)	Number of contact hours:	Accredited as CEU's by your professional organization:	
				Yes	No
