Dear *(Contact Name)*,

The WIC Program is a supplemental food and nutrition education program for Women, Infants and Children. WIC provides benefits to pregnant, breastfeeding and postpartum women, infants and children up to five years of age.

The WIC Program provides:

- < Individual nutrition education counseling with follow-up on high-risk participants.
- < Breastfeeding promotion and support.
- < Group nutrition education classes
- < Referrals to physicians, dentists, education and social service programs, as needed.
- < Nutritious supplemental foods including milk, eggs, cereal, juice, cheese and legumes for women and children participants. WIC provides infant juice and cereal and iron-fortified infant formula for the infants who are not breastfed. WIC also provides carrots and tuna fish for breastfeeding women who are not receiving any infant formula from WIC.

The WIC Program is available to provide these services for your clients. Please contact me at *(Phone Number)* for more information about the WIC Program. I look forward to hearing from you.

Sincerely,
